ABOUT US

Get to know our brand story and relive our journey!

Maxonic Marketing Sdn Bhd was founded in year 1999. It started from selling, distributing and marketing of plastic household products to wholesaler market in the early stage of the business. With the aim of manufacturing own products, R&D center and manufacturing plant of 50,000 square feet was set up in year 2000. Over the years, Maxonic has penetrated into local and international market with wide range of household products to cater the needs of household markets under the brand names of Maxonic and Lifeware, the brand which assure the premium quality.

Our head office is located in Penang, occupying an area of 250,000 square feet to house our R&D Department, Mould Design Department, Manufacturing facilities, Warehouse & Admin Office. With in-house R&D and Mould Design Department, we have the capability to design and fabricate moulds for our products as well as custom-made designs for customers. To ensure continual new products introduction to the market, our dedicated and skilled team of employees continually upgrade our range of products with new designs, concept and colours.

Our products are known for exceptional quality standards that gives a wonderful experience for its users. We maintain efficient and effective manufacturing and delivery methods in order to provide premium quality products at competitive price. Quality checks had built in each and every step of the manufacturing process. For the local Malaysian market, we have built strong relationship with local wholesalers as well as multinational establishments such as Tesco, Aeon, Aeon Big, and Giant.
